PROFESSIONAL SUMMARY

Results-driven **Automation Test Engineer with 4+ years of experience** in designing, developing, and executing scalable automation frameworks for web applications. Expertise in **Selenium, Playwright, TestNG, and API testing**, with strong focus on improving test efficiency and software quality. Proven ability to identify critical defects and support high-quality product delivery across banking, finance, healthcare, and e-commerce domains.

CORE SKILLS

- **Automation Testing:** Selenium, Playwright, TestNG
 - **Programming:** Core Java, TypeScript
 - **API Testing:** Postman
 - **Tools:** Maven, Git, GitHub, Jira
 - **Database:** SQL Server
 - **Testing Types:** Functional, Regression, Integration, UAT
 - **Other:** XPath, CSS Selectors, Cross-browser Testing
-

PROFESSIONAL EXPERIENCE

Automation Test Engineer

Grasp Technology Pvt Ltd | Aug 2022 – Present

- Developed and maintained **automation frameworks using Selenium & TestNG**
- Implemented **Page Object Model (POM)** for scalable test design
- Performed **regression, functional, and cross-browser testing**
- Designed and executed **data-driven test cases**
- Collaborated in **requirement analysis and defect tracking (Jira)**
- Conducted **peer reviews** to improve test quality

Software Test Engineer

Cybage Software Pvt Ltd | Jan 2022 – Aug 2022

- Created and executed **automation test scripts**
 - Designed **TestNG frameworks using WebDriver**
 - Improved test efficiency using **parameterization techniques**
 - Performed **functional and regression testing**
-

Automation Test Engineer

Ceinsys Tech Ltd | Apr 2021 – Jan 2022

- Built automation scripts using **Playwright with TypeScript**
 - Identified and automated **high-priority regression test cases**
 - Improved overall test coverage and execution speed
-

KEY ACHIEVEMENTS

- Reduced manual testing effort by **automating regression suites**
 - Improved test execution efficiency with **reusable frameworks**
 - Strong track record of identifying **high-impact defects early**
-

EDUCATION

- **MCA (Master of Computer Application)** – SGBAU University
- **BCA (Bachelor of Computer Application)** – SGBAU University
- **HSC (12th)** – Maharashtra Board

I certify that the information provided above is accurate and complete to the best of my knowledge.
